

# COAT OF ARMS

A coat of arms symbolizes the strength and pride of a family. Using images, shapes, symbols, colors, and words, you are invited to create your own coat of arms to represent the uniqueness of your family, whoever they may be. Use these prompts or follow your own directions – there's no right or wrong way.

- Upper left corner – What is a thing, animal, shape, or color that represents your family?
- Lower left corner – Who are the people you consider family?
- Upper right corner – What is your favorite thing to do with your family?
- Lower right corner – How does your family help you feel safe?
- On the bottom ribbon – What is your family name?
