

AWBW/ Windows Program 2020 Impact

As we celebrate 30 years of transforming trauma through art, the Windows Program continues to be a much needed, and highly impactful, resource for direct service organizations and individuals working with those who have experienced various forms of trauma.

In 2020 AWWBW...

supported
467 facilitators
 at
247 partnering organizations
 in
31 states & 4 countries

These Windows Facilitators...

offered
7,171 workshops
 to
22,549 adults
 and **16,499 children & teens**
 who participated in workshops
106,671 times

“ I am so happy I am able to participate in the group, still when now it is only via online, **I do not feel alone.**
 - Survivor and Windows Workshop Participant

72% of our program partners would not have any arts programming without the support of AWWBW

232 facilitators were trained:
118 training attendees
 at our 3 certification trainings and
114 new facilitators
 trained by fellow staff through our train-the-trainer model

Facilitators reported that the Windows Program helps...

- 97%: workshop participants feel more hopeful
- 94%: with building resilience
- 87%: to build and improve relationships between adults and children
- 96%: to build and improve peer-to-peer relationships
