

2021 Program Impact

During our 30th anniversary year, we experienced growth as never before! It remains evident that the Windows Program serves as a vital tool for empowerment and healing for individuals and communities impacted by trauma.

In 2021, we saw a **50%** increase in art workshop participants!

In 2021 A Window Between Worlds...

supported **760 Windows Facilitators**
 who worked with **60,000+** art workshop participants
 at **331 partnering organizations**
 in **39 states & 6 countries**

410
facilitators trained
 a **76%** increase
 from 2020!

“ Art allows my hands to sing the song that is in my mind.
 - Adult Participant, Community Corrections & Counseling Services, Montana

71% of our community partners would not have any arts programming without AWBW

Facilitators reported that the Windows Program helps participants...

- 91%: feel more positive about their future
- 91%: strengthen self-regulation skills
- 94%: build resilience
- 84%: improve relationships

Windows Facilitators currently support participants with these life experiences:

Circles proportionate to percentage of reported areas of support
